## Once Upon a Time...

Princess Annika<sup>™</sup> was given a surprise birthday party, and all of her friends came to the Cloud Palace high in the clouds to celebrate. Her sister Brietta<sup>™</sup>, Shiver<sup>™</sup>, Rayla<sup>™</sup> the Cloud Queen<sup>™</sup> as well as Blush<sup>™</sup>, Lilac<sup>™</sup> and Rose<sup>™</sup> were all in attendance. It was a very happy occasion until an evil wizard named Wenlock appeared and demanded that Princess Annika<sup>™</sup> marry him! Of course Princess Annika<sup>™</sup> didn't want to marry an evil wizard! When she refused, Wenlock became angry and turned all the people of the kingdom to stone! ## On-Screen Display

The Wand of Light is a magical wand that helps Annika™ and Brietta™ on their journey. Its magic will restore villagers who have been turned to stone by Wenlock's wicked spell. You can also earn new powers for the wand by finding any of the four special Power Jewels!

have left before you have to start a level over. You can fill up your chance meter by finding hearts hidden in the special heart blocks found throughout the game. You can also earn special bonus hearts by collecting all the coins in the Pegasus Flights. In Easy Mode, you never lose any chances so the meter will not be on-screen.

The Statue Counter shows you how many villagers you have found and transformed in each game level.

## Wand of Light Powers

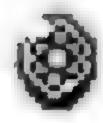

The Wand of Light always has the magic of transforming stone statues back into villagers, but you can give it additional magic by finding any of the four special Power Jewels hidden throughout the game.

The Flutter Jewel — gives Annika<sup>TM</sup> the ability to fly up to high areas she couldn't otherwise reach.

The Twirl Jewel — gives Annika™ the ability to twirl across wide areas.

The Flower Jewel — gives Annika™ the ability to temporarily change enemies into harmless (and sometimes helpful) plants.

The Warmth Jewel — gives Annika™ the ability to melt ice.

#### Locations

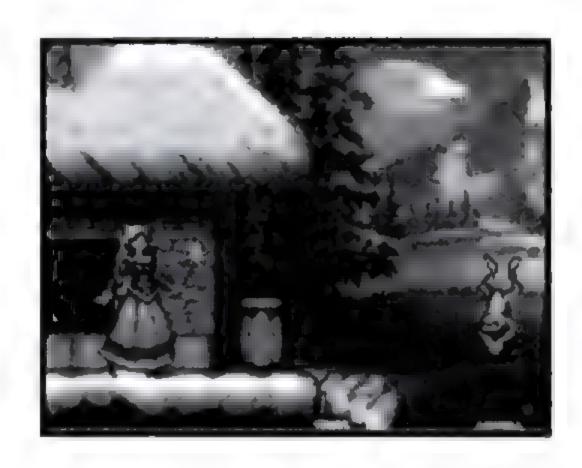

#### The Cloud Palace

This is the home of the beautiful Cloud Queen™ Rayla™. It is a majestic palace set high in the sky among the clouds. Find your first statues to transform back to villagers here and find the Flutter Jewel so you can get to those statues that are out of reach! Look out for the crows, beetles and even mini-griffins that Wenlock has sent to slow you down!

#### The Kingdom Village

Not far from Princess Annika's castle home, the snowy Kingdom Village is where the villagers live and work. It is usually a happy place filled with the bright colors of the village market and the chatter of all the village's cheerful citizens. However, all is quiet, and the Kingdom Village is only filled with the statues of those who have fallen under Wenlock's evil spell! Traverse wide gaps using the Twirl power of the Wand to rescue more villagers.

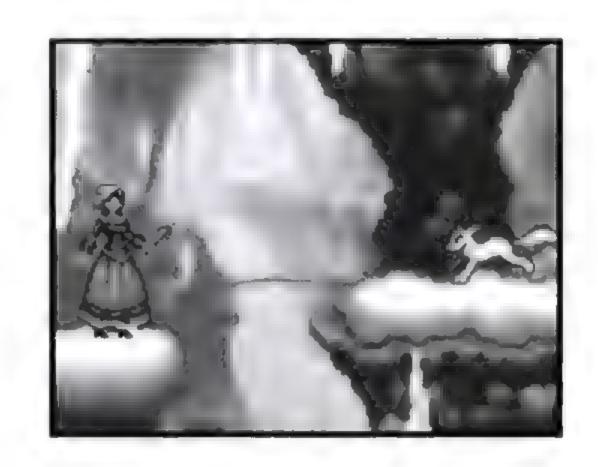

#### The Forbidden Forest

The Forbidden Forest is a spooky place avoided by all. There are stories of people who have disappeared into the Forbidden Forest never to return! Help Annika™ overcome her fear and enter the forest to find all the villagers who have been transformed. Use the Flower Jewel on those pesky hanging spiders and swampy fish.

#### The Glacier Caverns

Inside this giant glacier are beautiful caves of ice that shine like crystals! Annika<sup>TM</sup> will have to try to stay warm because Wenlock has hidden a number of villagers here. Once inside, Annika<sup>TM</sup> will need to use the Warmth Jewel to melt ice because some of the villagers are frozen solid! Keep in mind that some surfaces are very slippery in here!

#### Wenlock's Palace

The conclusion of the adventure takes place in this palace which is as dark as the Cloud Palace is beautiful. Here Annika™ must use all of her skills and determination as well as all the powers of the Wand of Light to defeat Wenlock once and for all.

#### **Pegasus Flights**

Test your flying skills! Play as Brietta™ as she takes Annika™ from location to location in four fantastic Pegasus flights. If you collect all the coins in a flight, you'll earn bonus hearts for the chance meter and a special surprise picture from the movie!

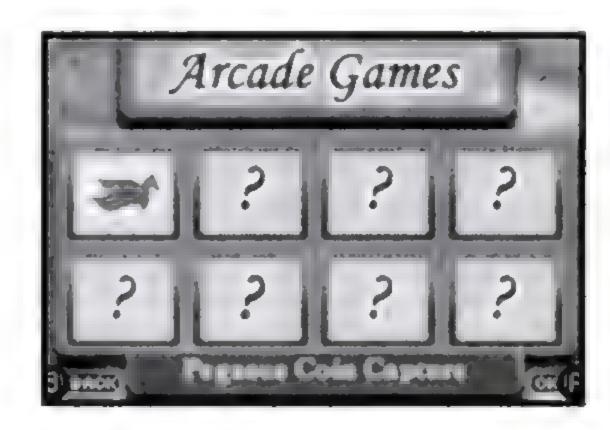

#### The Mini-Games

Somewhere in each location is an enchanted door that transports you to a secret mini-game. Use the Wand of Light to complete the challenge and earn an extra costume for Annika<sup>TM</sup>. Wenlock doesn't want you to find any of these doors, so he has hidden some of them behind stone blocks. And don't forget, Annika<sup>TM</sup> won't be able to open a door unless she has the key!

#### Arcade Mode

Arcade Mode lets you replay any of the Pegasus Flights or mini-games you have already played while on the adventure. Use the +Control Pad to highlight the game or flight you want to play and press the A Button to select it.

## Hints and Tips

- You can make Annika™ look up and down while searching for statues of villagers by holding the L Button while pressing the +Control Pad Up or Down.
- Remember you can use the Wand of Light to break away high and low blocks by pressing the B Button with the +Control Pad Up or Down.
- Look for the secret rooms and doors to mini-games hidden behind blocks. You'll need a key to unlock a door. Keys are hidden in the same level.
- To get to some of the highest areas in the game, you need to jump first, then use the Flutter Jewel. Press the A Button to jump, and while in mid-air, press the B Button to get even higher.
- Look for trolls in some levels. They are people who have been transformed by Wenlock. Use the Flower Jewel with the Wand of Light to rescue them.
